Instructions:

1) Flag - Cut out the flag above and stick a straw or lollipop stick to the back of it, and your flag is ready to be placed in your Stadium.

2) Welford - Colour in the Welford to the left, or use the coloured version on the right. Cut along the dashed line of your chosen Welford and stick a straw or lollipop stick to the back to have a Welford ready to place in your stadium.

3) Logos - Cut out the logos and stick them on your Stadium in the right place to make it as realistic as possible.
