

Score the points

In rugby the scoring is made up of points. There are four ways to score points:

Area	Points
Try	5
Conversion	2
Penalty	3
Drop Goal	3

Look at the diagram below and then answer the questions:

It is half-time. This diagram shows where Leicester Tigers scored their points.

1. What was the total number of points scored from triers at the end of the first half?
2. What was the total number of points scored from penalties at the end of the first half?
3. What was the total number of points scored by the end of the first half?
