THE ULTIMATE EXPERIENCE

Bowl Food & Cocktail Canapes

BOWL FOOD

Our hot bowl food menu is designed as a grazing menu for those guests who require a more adventurous twist to their gastronomic experience; and an exciting alternative to our range of hot fork and finger buffet menus.

You can experience up to three smaller main course dishes all of which will be served individually in rice bowls, and circulated to your guests. These menu items have been designed to allow your guests to network and mingle whilst dining.
